TechTeam Government Solutions Awarded \$4.1 Million, Five-Year Contract for Technical Services from the Department of Health and Human Services, Division of Payment Management

TechTeam Government Solutions to provide application support for the Payment Management System

CHANTILLY, VIRGINIA, September 28, 2006... **TechTeam Government Solutions, Inc.**, a provider of information technology (IT) services to federal, state, and local markets and a wholly-owned subsidiary of TechTeam Global, Inc., announced today that it has been chosen by the Department of Health and Human Services (HHS), Program Support Center, Division of Payment Management (DPM) to deliver technical services in support of the Payment Management System.

Under this contract, TechTeam Government Solutions will provide application support, connectivity management, configuration management, program management, and information security support for the DPM's centralized financial payment system, which administers over 24,000 grant applications and billions in grant monies. The estimated contract value is \$4.1 million in revenue over the five-year period of performance.

“TechTeam Government Solutions is honored to have been selected by HHS to provide the support desk, network operations, and project leadership necessary to maintain the DPM's Payment Management System. This award demonstrates HHS' trust in our capabilities as well as in our highly qualified technical team at HHS,” stated Dennis Kelly, President of TechTeam Government Solutions, Inc.

Department of Health and Human Services is the United States government's principal agency for protecting the health of all Americans and providing essential human services, especially for those who are least able to help themselves. HHS includes more than 300 programs, including health and social science research; preventing disease, including immunization services; assuring food and drug safety; Medicare and Medicaid; health information technology; financial assistance and services for low-income families; improving maternal and infant health; Head Start; faith-based and community initiatives; preventing child abuse and domestic violence; substance abuse treatment and prevention; services for older Americans, including home-delivered meals; comprehensive health services for Native Americans; and Medical preparedness for emergencies, including potential terrorism.

TechTeam Government Solutions, Inc., a wholly-owned subsidiary of TechTeam Global, Inc., is based in Chantilly, Virginia, and is a leading IT solutions company that provides IT infrastructure support, information assurance, managed services, and applications services support to federal, state, and local governments. Safe Harbor Statement

The statements contained in this press release that are not purely historical, including statements regarding the Company's expectations, hopes, beliefs, intentions, or strategies regarding the future, are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements include statements regarding, among other things, the growth of the Company's core business, revenue, and earnings performance going forward, management of overhead expenses, productivity, and operating expenses. Forward-looking statements may be identified by words including, but not limited to, "anticipates," "believes," "intends," "estimates," "promises," "expects," "should," "conditioned upon," and similar expressions. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and that actual results may differ materially from those projected in the forward-looking statements as a result of various factors. Such factors include, but are not limited to delays in the implementation of the business, changes in customer's business or the requirements thereof, a decision by HHS not to exercise one or more of the four option years under the contract, or difficulties in providing the service solutions for the customer. All forward-looking statements included in this press release are based on information available to the Company on the date hereof, and the Company assumes no obligation to update any such forward-looking statements. Prospective investors should also review the Company's Reports on Forms 8-K, 10-Q, and 10-K filed with the United States Securities and Exchange Commission, including Management's Discussion and Analysis of Financial Condition and Results of Operations, and the risks described therein from time to time, but especially the risk factors relating to conducting business with the federal government.
