TechTeam Global Announces New Leader for its Government Services Business Unit

Industry Veteran with Proven Success Driving Profitable Growth Selected as President of TechTeam Government Solutions, Inc.

SOUTHFIELD, MICHIGAN, August 4, 2008... **TechTeam Global, Inc.** (NASDAQ: “TEAM”), a worldwide provider of information technology (IT), enterprise support and business process outsourcing services, today announced that David Kriegman has been named president of its wholly-owned subsidiary, **TechTeam Government Solutions, Inc.**

“We selected David based on his depth of experience, track record of entrepreneurial growth and solid reputation as a leader in this industry,” said Gary J. Cotshott, president and chief executive officer of TechTeam Global. “I look forward to working with David as we continue to scale TechTeam Government Solutions with a focus on serving the public sector through innovative service offerings, an agile, responsive approach to helping our customers, and service delivery excellence.”

Kriegman has 30 years of leadership experience providing full information systems life cycle services and solutions to government and industry. Most recently, he served as president of Command Federal, a provider of next generation networking services. Prior to that, Kriegman was with SRA International for 23 years and held various senior leadership positions in the company. In his last role with SRA, Kriegman served as executive vice president and chief operating officer with profit and loss responsibility for all operations of SRA’s \$1 billion business. During his tenure in that role, SRA achieved average annual revenue growth of 20 percent.

“I am delighted to have the opportunity to lead TechTeam Government Solutions and I believe this organization has an exciting future,” said Kriegman. “With an impressive list of great customers, high quality service delivery, talented employees, compelling service offerings, and the ability to draw on the resources and commercial best practices of our global parent company, TechTeam Government Solutions is well positioned in the market. I look forward to building on this foundation through intense customer focus, solid execution and a strategy that will drive continued growth and profitability.”

Kriegman will lead a successful government services business that grew 46 percent in 2007 and has received numerous contract awards in 2008. Earlier this year, TechTeam Government Solutions was among nine companies awarded a government-wide indefinite-delivery, indefinite-quantity contract with the General Services Administration called USA Contact, which has a total potential value of \$2.5 billion.
